Bizarro likes to fix things,

but he only causes trouble.

His thinking is all backward.

Bizarro spies a kitten in a tree.

"Bizarro must save tree!" he says.

He rips it out of the ground.

A boat is sinking in the river.

"Bizarro will stop the river,"

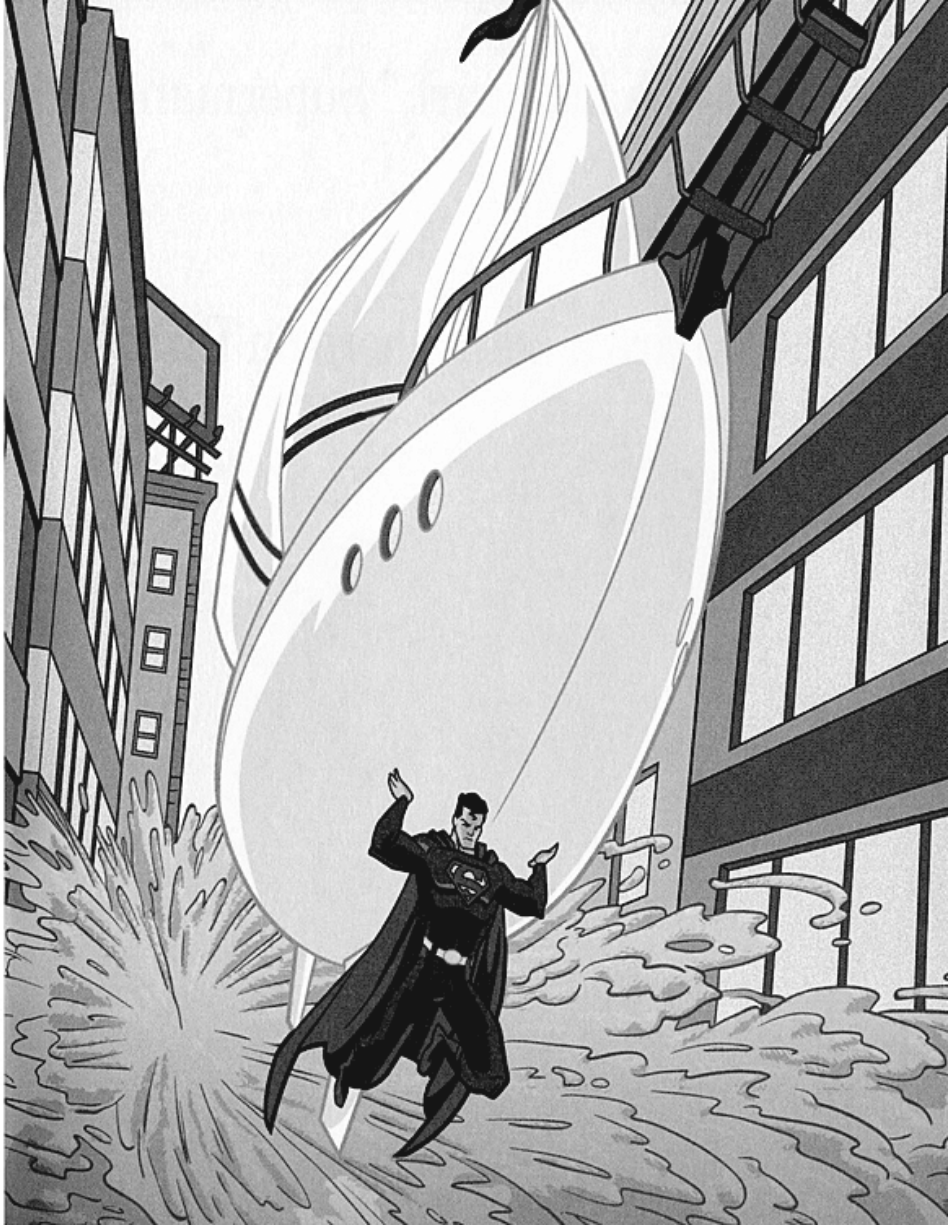
says the alien.

Bizarro hits a bridge hard.

Bits of rock fly down.

The river starts to flood!

Superman has to save the city!
He lifts the boat and the rocks
out of the river.



"You have a big heart," Superman tells Bizarro.

"But you are a better hero on Bizarro World!"
